

We are a team with great expertise in the accessories business. Our main focus is on creating and developing accessories for Apple products.

At NEXT ONE, we are committed to our partner's business and our goal is to offer the best-rated products on the market with the best possible conditions.

Our operation spans in 19 countries in Europe, serving more than 80 APR stores and the biggest network operators in Romania.

Directly serving Apple Premium Resellers stores in 11 countries: Italy, Portugal, Croatia, Slovenia, Serbia, Bulgaria, Macedonia, Spain, Moldova, Iceland, and Romania.

Serving the biggest telecom companies in Romania: Orange and Vodafone Business.

Reaching customers in other 11 countries together with one of our partners, an Apple Authorized Distributor (Apcom CEE).

Numerous online resellers are trusting our products (Emag, Brand GSM, etc).

Offering private label services for our clients (concept, development, manufacturing, quality control, transportation, stock management, etc)

## Leather Loop

The Apple Watch Leather Loop designed by Next One provides comfort and security for your Apple Watch.

**Powerful magnets:** keep your Apple Watch securely on the wrist even during sports or when wet.

**Quick and easy:** install and remove your Apple Watch in seconds. No more fiddling around with buckles, clasps, loops, or the magnetic closure system of Apple Watch bands.

**Sleek and stylish:** unique lines and a thin profile lend this Apple watch strap a distinctive look that's suitable for any occasion. With so many colours to choose from, you can be sure of finding the perfect one to match your favourite outfit.

**Comfortable material:** they're soft and comfortable to wear. You can wear this strap comfortably day and night. Very easy to clean. Simply wipe our strap with a damp cloth and your Apple Watch band will look brand new.

It wraps elegantly around your wrist and is closed with flexible, moulded magnets that have a little game to make it slip less throughout the day.

### Advantages of microfibre leather:

## MagSafe Compatible Fast Wireless Charger

**Material:** Aluminum alloy/PC/Glass **Size:**

70mm\*70mm\*8.5mm **Weight:** 65g

**Cable length:** 1m

**Input:** 5V-2A,9V-1.67A,12V-1.5A

**Output:** 5W/7.5W/10W/15W

**Working frequency:** 100-205kHz

**Conversion efficiency:**  $\leq 80\%$ -85%

**Transmission distance:**  $\leq 3$ -8mm

## Magnetic wireless Power Bank 5000 mAh

### Features:

- Fast charging capability
- Outstanding grip - stays on phone while using it LED indicator of battery status
- Super slim design
- PD port allows the user to charge the power bank without waiting too long
- USB-C to USB-C/Lighting cable included in the package for input/output power delivery

### Compatibility:

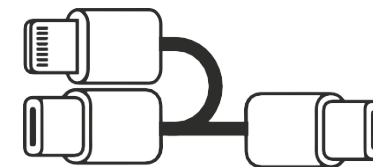

Attaches magnetically to all iPhone models with MagSafe. Can be used as a wireless (non-magnetic) power bank with any Qi-charged mobile device.

### Technical details:

- Power capacity: 5000mAh Wireless output: 15W
- PD maximum output: 20W
- Cell: A-grade high-quality polymer battery Material: Polycarbonate shell
- Output/input: DC5V/3A 9V/2.25A 12V/1.67A Charging time: approx. 2 hours
- Net weight: 96g
- Product size: 87\*60\*12mm
- Certificate: CE/ROHS, cell MSD

Using the two dedicated output cable heads customers will not need a secondary cable to charge their iPhone/iPad.
